

VISIBILITY SCHOLARSHIP 2018

SPONSOR:

WING Global Visibility Partner

CONFERENCE

NEW ZEALAND
GEOTHERMAL WORKSHOP

www.geothermalworkshop.co.nz

DATE

14-16TH NOVEMBER

LOCATION

WAIRAKEI RESORT, TAUPO
NEW ZEALAND

ABSTRACT SUBMISSION DUE DATE:

11.59PM, FRIDAY 29 JUNE
(New Zealand Time).

The WING Visibility Scholarship is open to all WING members. The aim of the scholarship is to increase the visibility of women working in the geothermal industry, and the work that they do. It offers the opportunity to present current work to the wider geothermal community. This year the scholarship winner will have an all expenses paid trip (flights, transfers, accommodation, registration) to New Zealand to present a paper at the New Zealand Geothermal Workshop which will be held 14-16th November in Taupo.

REQUIREMENTS

- » Must be a current **WING** member working in the geothermal industry. This can be in any capacity ie. Science, engineering, regulatory, law, business etc.
- » Must have a current passport and available to travel
- » Must be able to apply and receive visa within required travel timeframe.
- » Will be available and participate in interviews, discussions, meetings and other events during the workshop.

HOW TO APPLY

Forward your 300 word (max) abstract to info@womeningeothermal.com by 11:59pm 25th June (NZ Time). Please include all your contact details in the email, and a short paragraph on why you think the visibility of women is important.

Please note:

The winner will be responsible for their food and other personal costs.
